evaluation
def: A process in which an individual rates the quality of his or her own work.

Name: _____ Period: _____

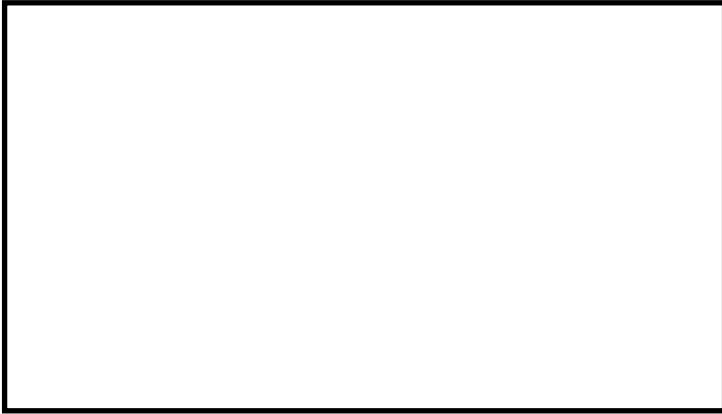

Name of Assignment: _____

Write down one of the criteria from THIS PROJECT that you remember.

What experiments and/or risks did you take in order to achieve a uniquely, creative art piece (How is your piece different from others)?

How do you like the results?

If you were to give a student advice that hadn't done THIS PROJECT, what would the advice be?

Do a thumbnail sketch of your final project. LABEL THE ELEMENT AND PRINCIPLE FOCI on the images that you feel demonstrates the main elements and principles that you used.

After completing this project, what are you now confident in being able to do, identify or explain?

If you had the opportunity to redo this project – what would you do differently?

If you had the opportunity to redo this project – what would you do the same?

STUDENT GRADING SECTION: Based on expectations for the assignment, give yourself a grade on a scale of 1 – 10 and EXPLAIN why you gave yourself that grade.
